

FUNDED PROJECTS

July 2014

Tree of Life Earthworks, Clarke Square

Residents turned the first floor of a carriage house into a community gallery space and class studio where they taught free ceramic classes and hosted gallery receptions and art discussions open to everyone interested in the arts.

Amount Granted: \$500.00

South Harambee Alley Cleanup, Harambee

Residents arranged a community electronics collection and taught residents how to recycle properly.

Amount Granted: \$500.00

Stand Up and Stand Out Block Party, Sherman Park

Residents provided the neighborhood with a BBQ lunch, popcorn, face painting, crafts, games, music, and prizes; highlighted the talents of local youth in the community; and invited city officials to speak. Residents are committed to promoting salvation, healing, and repairing breaches to all who are lost, ill, broken, and/or wounded in search of wholeness.

Amount Granted: \$500.00

Eye on Beauty Positive Body Image Workshop, Sherman Park

Residents provided a 2 ½ hour positive body image workshop called “Eye on Beauty” for young ladies, 12-18 years old, that live in the Sherman Park neighborhood. Topics covered included: What is Self-Esteem, What is Body Image, Dealing with Bullies, Dressing for Your Body Type, Finding Your Voice, Building and Maintaining Healthy Relationships/Signs of Unhealthy Relationships, Healthy Eating 101, Hygiene and Personal Care, Makeup Application, Hair Care, Your Body Boundaries, and Walking with Confidence.

Amount Granted: \$500.00

Overflowing Life for Harambee, Harambee

Residents focused on water reclamation for a community garden as well as community outreach to teach water reclamation to individual homeowners and landlords.

Amount Granted: \$500.00

Healthy Cooking Classes, Layton Boulevard West

Residents led a community walking and exercise club at Burnham Park, every Tuesday from 6 p.m. to 7p.m. They also offered four healthy cooking classes to the residents who participated in the walking club.

Amount Granted: \$480.00

Tower Hill Curb Appeal Beautification, Tower Hill - Waukesha

Residents improved curb appeal by refurbishing and repairing owner-occupied homes in the Tower Hill neighborhood that were in various stages of disrepair.

Amount Granted: \$500.00

Page Turners, Lindsay Heights

Residents developed a community book club in the neighborhood.

Amount Granted: \$300.00

Metcalfe Park Selfies, Metcalfe Park

Residents participated in a pilot project organized by Groundwork Milwaukee, where residents engaged in environmental work by installing rain gardens in residents' yards and vacant spaces throughout the Metcalfe Park neighborhood. They documented the progress and gained insight into community challenges throughout this experience.

Amount Granted: \$500.00

Project Alley Watch, Grasslyn Manor

Residents organized a block watch on each block in the Grasslyn Manor neighborhood to improve the safety of residents who use alleys for parking and a myriad of other family-oriented backyard activities. The project focused on the alleys located in the 3800 block of North 55th and 56th streets and the 5400-5500 block of West Melvina Street. They installed cameras in the alley between the two blocks, which stopped at Melvina Street.

Amount Granted: \$500.00

Walnut Hill Community Garden Project, Walnut Hill

Residents invited neighborhood families to an event in the community garden at 32nd Street and Brown Street, where they learned about planting and maintaining an urban vegetable garden.

Amount Granted: \$500.00

November 2014

Family Unity through Crafts, Thurston Woods

Residents organized a family event in which residents made heartfelt and fun gifts for one another. At the end, residents sent each family home with their very own to-go bag filled with the basic materials and instructions needed for them to conduct the activities at home with their own families.

Amount Granted: \$500.00

Positive Body Image Workshop, Thurston Woods

Due to popular demand, residents provided another 2 ½ hour positive body image workshop called “Eye on Beauty” for young ladies, 12-18 years old, that live in Thurston Woods. Topics covered included: What is Self-Esteem, What is Body Image, Dealing with Bullies, Dressing for Your Body Type, Finding Your Voice, Building and Maintaining Healthy Relationships/Signs of Unhealthy Relationships, Healthy Eating 101, Hygiene and Personal Care, Makeup Application, Hair Care, Your Body Boundaries, and Walking with Confidence.

Amount Granted: \$450.00

Community Water Infrastructure and Hook Up, Havenwoods

Residents built a 6x6 sustainable water structure to hold a 275-gallon rainwater tote for a community garden. The structure collects rainwater from a downspout and stores it for future use for the residents’ community garden.

Amount Granted: \$480.00

Tenant Resource Training Program, Washington Park

Residents facilitated three courses for new tenants and residents of the Washington Park neighborhood. These courses provided training and information about community events and resources available for new residents.

Amount Granted: \$320.00

Healthy Cooking Classes, Layton Boulevard West

After a successful service project, residents initiated another community walking and exercise club at Burnham Park, every Tuesday from 6 p.m. to 7 p.m. They also offered four healthy cooking classes to residents who participated in the walking club.

Amount Granted: \$480.00

Thurston Woods Garden Renovation Project, Thurston Woods

Residents led a project that enhanced the existing capacity of the Thurston Woods garden, located on the corner intersection of 40th Street and Florist Avenue.

Amount Granted: \$500.00

Martin Drive Branding Initiative, Martin Drive

Residents purchased signs, neighborhood logo stickers, and information boxes to help with the branding of their neighborhood. The project also encouraged Martin Drive residents to attend meetings in hopes of building a greater sense of unity as a community.

Amount Granted: \$325.00

Backyard Composting, Sherman Park & Grasslyn Manor

Residents led a project designed to place composters in backyards while teaching neighbors, new to this aspect of gardening, the pros and cons of composting. The residents' overall objective was to continue to introduce city dwellers to the benefits of growing produce in their backyards.

Amount Granted: \$500.00

March 2015**53rd Street Alley Watch, Sherman Park & Grasslyn Manor**

An expansion in the Sherman Park community from a previously funded project, residents installed security cameras in the alley of 53rd Street to improve safety and reduce crime in the neighborhood.

Amount Granted: \$500.00

Woodlands Community Garden, Woodlands

Residents created opportunities for residents to learn new skills and engage with each other through growing fresh fruit and vegetables.

Amount Granted: \$500.00

Five Points Neighborhood Association Youth Talent Show, Harambee

Residents engaged youth in creating a youth talent show. They organized and planned the showcase and recruited local youth to participate in the event.

Amount Granted: \$500.00

Project Alley Watch, Sherman Park

An expansion in the Sherman Park community from a previously funded project, residents installed security cameras in neighborhood alleys to improve safety and reduce crime.

Amount Granted: \$500.00

Walnut Way Neighborhood Peace Project, Lindsay Heights

Residents developed a series of workshops for young black men in the Walnut Way neighborhood. The workshops included therapeutic activities to improve self-esteem, strengthen coping skills around trauma and loss, and build a positive peer network.

Amount Granted: \$500.00

Get Fit - Healthy Men & Women Create Healthy Families, Concordia

Residents led a free community event to educate people about fitness and health topics. Participants learned how to be financially fit, physically fit, nutritionally fit, and emotionally/spiritually fit. This event helped those who are uncomfortable to become comfortable and work on themselves.

Amount Granted: \$500.00

Freedom from the Inside Out-Ex-Offender Symposium, Harambee

Residents hosted an event that brought the community together. The event gathered all available resources and put them under one roof to provide a one-stop environment where ex-offenders obtained the necessary assistance and information to navigate past roadblocks. This helped residents that are out-ex-offenders operate in the world of business.

Amount Granted: \$500.00

Fratney Neighborhood Greenway Project, Riverwest

Residents created stronger connections—both relationships and tangible ones—within the community. They increased healthy, safe transportation alternatives and connected neighbors with one another by creating the Fratney Neighborhood Greenway, a friendlier pedestrian/bicycle corridor through the heart of Riverwest.

Amount Granted: \$500.00

Art in the Alleys, Clarke Square

Residents organized a community art project in one of the alleys in the Clarke Square neighborhood. Students from the community who participated in ceramics classes at the neighborhood art studio contributed to the beautification project.

Amount Granted: \$500.00

We're Chess Get'n Started - The Art & Chess Society, Amani

Residents advanced their theory of “each one teach some” to help reduce inter-generational illiteracy by providing a service, like chess. The Art & Chess Society aims to enhance and engage participants, their families, and their neighbors’ overall academic and social skills development.

Amount Granted: \$495.00

Art I Am – Mobile Art Exhibit & Gallery, Harambee

Residents created a mobile art exhibit and art tent to showcase numerous pieces of art and notable artists in the Harambee neighborhood. The goal was to expose youth to an African-American perspective, provided by local artists in Harambee.

Amount Granted: \$475.00

Harambee Community Orchards, Harambee

Residents united the community through teaching recipients of fruit and nut trees how to care for and manage their trees. Residents learned more about the benefits of the tree, including how they reduce the grocery costs, beautify the neighborhood, and build more confidence in the community and its residents.

Amount Granted: \$308.00

Youth & Family Summer Program, Layton Boulevard West

Residents developed a summer school educational youth curriculum.

Amount Granted: \$500.00

Riverwest-Harambee Unity Sign Project, Riverwest & Harambee

Residents created yard signs with specific information, which included how to call in non-emergency crimes and City of Milwaukee DPW related issues. The other side of the sign included a logo/slogan about community strength and diversity. The logo/slogan was created through a resident art contest held in Riverwest and Harambee.

Amount Granted: \$500.00

Capital Heights Community Cleanup, Capital Heights

Residents organized a neighborhood cleanup (including alleys) of the Capital Heights area (61st-68th – Capital Drive – Congress Street) to rid the area of trash and debris from the winter season. They also provided paper shredding for residents to begin their spring home interior cleanup. Residents provided volunteers with hotdogs, chips, and soda following the event.

Amount Granted: \$500.00

Miss Cynthia's Back to School Bash, Metcalfe Park

Residents continued Metcalfe Park's annual Back to School Bash, which prepares neighborhood youth for the new school year. The grant allowed residents to expand the event.

Amount Granted: \$500.00

Music in Mitchell Park, Clarke Square

Residents organized a community concert at the amphitheater in Mitchell Park.

Amount Granted: \$500.00

SOHI Community Garden Block Party, Concordia

Residents organized a community cleanup, block party, ribbon cutting, and seeding day.

Amount Granted: \$500.00

Plant to Plate, Clarke Square

Residents built a community garden at 27th and Scott Street on land provided by a local Lutheran church. The garden includes herbs and vegetables that are accessible to all community members, visitors, and church members.

Amount Granted: \$500.00

Neighbors in Action Annual Picnic Event, Lincoln Village

Residents hosted the first annual Neighbors in Action cookout in order to build community and educate neighbors on the group's ongoing work. Grant resources were used for item giveaways such as t-shirts and water bottles with the group's logo. The event was also an opportunity to highlight accomplishments throughout the community.

Amount Granted: \$500.00

Kids Play, Metcalfe Park

Residents posted street signs encouraging drivers to slow down in order to improve the safety of children playing in the neighborhood. This occurred during a neighborhood cleanup and block party, which included food and children's activities.

Amount Granted: \$500.00

Bring It On Metcalfe Park, Metcalfe Park

Residents hosted an art contest for upcoming artists in the Metcalfe Park neighborhood. This engagement strategy included the entire neighborhood. The contest winner's artwork was installed in the community garden for all to enjoy and appreciate.

Amount Granted: \$500.00

2nd and Clarke Streets Neighborhood Mural, Harambee

Residents worked with community partners to design and paint a street mural at the intersection of 2nd Street and Clarke Street in preparation of summer youth programming that occurs around that site.

Amount Granted: \$500.00

Stand Up and Stand Out Community Day, Sherman Park

Residents provided a BBQ lunch, popcorn, face painting, crafts, games, music, and prizes. They also highlighted the talents of local youth in the community and invited city officials to speak at the event.

Amount Granted: \$500.00

Get Fit MKE!, Havenwoods

Residents facilitated a comprehensive one-hour total body workout session for the community (children and adults, ages 10 and up). A variety of workout equipment was available for residents to use.

Amount Granted: \$500.00

Landscape Beautification Tower Hill Gateway, Tower Hill - Waukesha

Residents continued neighborhood beautification efforts by landscaping around the newly installed Tower Hill Neighborhood Welcome Sign, a stone pillar sign on the corner of Madison and Randall Streets in Parkview Park.

Amount Granted: \$492.00

Cross Generational Gardening on North 53rd Street, Grasslyn Manor

Residents brought youth and seniors of the community together through gardening. This presented the opportunity for cross-generations to understand and learn from each other.

Amount Granted: \$500.00

DECEMBER 2015

Healthy Cooking Classes, Layton Boulevard West

In an effort to decrease obesity and encourage better nutrition, residents offered healthy cooking classes at three neighborhood schools in communities with the highest rates of adult obesity.

Amount Granted: \$744.00

Educational Signage, Washington Park

Residents installed educational signs to encourage onlookers to allow community gardens to grow and flourish. "Don't pluck me before my time" is one type of sign posted near unfenced gardens in the neighborhood.

Amount Granted: \$750.00

Holiday Workshop, Clarke Square

In preparation for the holidays, residents went door-to-door to encourage families to visit the neighborhood art studio and make holiday ornaments. After making ornaments, residents enjoyed a neighborhood potluck.

Amount Granted: \$750.00

Feeding the Community – Holiday Banquet Event, Havenwoods

Residents hosted a holiday banquet event to feed the community. In addition to a meal, residents received a turkey, hats, scarves, and gloves.

Amount Granted: \$750.00

Woodlands Continuing Garden and Christmas Celebration, Woodlands

As a follow-up to the previously funded garden, residents purchased additional garden beds, a fence, and supplies for the Community Christmas Celebration.

Amount Granted: \$750.00

KK River Neighbors in Action River Spring Cleanup, Lincoln Village

Residents of the KK River Neighbors in Action group hosted their annual spring neighborhood cleanup. The event was advertised in both English and Spanish. The event's goal is to promote comradery among residents.

Amount Granted: \$750.00

Metcalfe Park Community Baby Shower, Metcalfe Park

To meet the basic needs of residents with children, residents hosted a community baby shower as part of the traditional African cultural baby naming ceremony.

Amount Granted: \$750.00

How to Build a Go-Kart, Amani

In an effort to provide structured opportunities for young people in the Amani neighborhood, residents taught youth how to build go-karts in teams of four.

Amount Granted: \$750.00

Each One Teach One – Healthy Living, Old North Milwaukee

Residents offered four community CPR/AED and first aid certification classes to up to 50 residents. Residents learned adult, youth, and infant emergency response.

Amount Granted: \$750.00

JUNE 2016

Ms. Cynthia's Back 2 School Bash, Metcalfe Park

In an effort to assist parents prepare their children for a successful school year, residents organized activities and games for the entire family to enjoy. Additionally, each child received age-appropriate book bags and school supplies.

Amount Granted: \$750.00

Fabulous Flowers, Borchert Fields & Harambee

Residents organized Fabulous Flowers, a project designed to empower young girls through entrepreneurship and purposeful enterprise. By teaching young girls how to plant flowers on a vacant community lot, girls learn the fundamental values of business creation and ownership.

Amount Granted: \$750.00

Building Unity, Metcalfe Park

To encourage neighborhood bonding, residents built six benches to be used for outdoor movie nights, cookouts, and games. These benches serve as an accessible place for neighbors to convene.

Amount Granted: \$750.00

Parkview Park Beautification, Tower Hill - Waukesha

After successfully completing phase one of their neighborhood beautification project, residents added landscaping around the new gateway sign that faces towards downtown Waukesha.

Amount Granted: \$750.00

The Woodlands Summer Events, Woodlands

In an effort to keep children safe and active during the summer, residents provided art, book clubs, and sport activities for youth in the community.

Amount Granted: \$750.00

Clarke Square Family Gardens, Clarke Square

Within the last year, residents have actively participated in several neighborhoods beautification projects. With this grant, residents expanded their community gardening project by adding art and planters.

Amount Granted: \$750.00

Twilight Tennis, Washington Park

Residents reserved tennis courts during the summer months to increase awareness of tennis and other recreational sports. This project provided neighbors interested in learning the sport of tennis free and easy access to courts in their neighborhood.

Amount Granted: \$750.00

Florence C. Lambert Garden Beautification, Old North Milwaukee

Residents installed rainwater harvesting systems, children's mini free libraries, and garden beds in an effort to reduce crime, violence, and communal separation.

Amount Granted: \$750.00

Cherry Hill Gardens, King Park

For the past several years, residents have voiced concerns regarding vacant lots. In an effort to address these challenges, residents cleaned up empty lots, removed all dangerous materials, and built eight garden beds.

Amount Granted: \$750.00

Art in the Garden, Metcalfe Park

Residents provided a safe and nurturing environment for young people in their neighborhood through art and African history. The programs raised awareness about culture and diversity.

Amount Granted: \$750.00

Amani Community Cookout, Amani

Residents worked to encourage families to get to know their neighbors by hosting a community cookout and organizing family-oriented activities.

Amount Granted: \$750.00

Community Gathering Celebration, Sherman Park

In an effort to build a safer community, residents celebrated the talents of local youth, provided fun outdoor activities, and invited public officials to be guest speakers.

Amount Granted: \$750.00

Lindsay Heights Community & Family Fun Day, Lindsay Heights

To honor dads and bring families together, residents hosted a family fun day. The event included a free rummage, traditional family activities, and art projects. Resources provided by community organizations that aid with bringing families together were shared with everyone in attendance.

Amount Granted: \$750.00

Amani Basketball Project, Amani

To provide high school boys with a safe environment in the summer, residents hosted a series of basketball programs. Along with participating in the program, young adults also organized a basketball clinic for other neighborhood youth.

Amount Granted: \$750.00

Creative Art Connection, Havenwoods

Residents offered basic art, drama, dance, and drawing classes to youth in the community throughout the summer. Youth showcased their work at the end of the program.

Amount Granted: \$750.00

Taste of Amani - Community Tables, Amani

Residents hosted a "Taste of Amani" event. Residents vended food and activities representative of the Amani neighborhood. Residents purchased forty tables to be used for this and future neighborhood events.

Amount Granted: \$750.00

Bright LED Alley Spotlights Providing for Neighborhood Safety, Sherman Park

After installing motion detector light fixtures in the neighborhood, residents installed LED spotlight bulbs designed to project more light, cover more area, and decrease electricity costs.

Amount Granted: \$750.00

DECEMBER 2016**53rd Street Project Alley Watch, Sherman Park**

Due to recent garage break-ins, residents involved with the neighborhood block watch installed security cameras and dusk-to-dawn bulbs outside of residents' homes. The security improvements increase a sense of safety in the area. A celebration was held after installation for all who participated.

Amount Granted: \$750.00

Project Smile, Amani

Several youth in Milwaukee lost parents due to gun violence in 2016. Residents planned an event to bring together those youth to celebrate the lives of their parents. Through games, motivational speakers, and food, youth were able release any anger they were holding onto and recognize the value of their own life. Youth participants also received Christmas gifts.

Amount Granted: \$750.00

Feeding the Community Holiday Banquet Event, Hampton Heights

In time for the holidays, residents hosted events to provide free food for those in need and turkeys for Christmas. Residents provided free giveaways, such as hats and gloves, to ensure that individuals stay safe and warm during the winter.

Amount Granted: \$750.00

Fundamentals of Critical Thinking Workshop, McGovern Park

In order to strengthen families, residents hosted a workshop to help families think about their decision making process. By analyzing cause-and-effect factors and consequences, families are able to create much needed bonds between parents and children. After participating in the workshops, individuals have a deeper knowledge of the importance of communication, economic empowerment, and education.

Amount Granted: \$750.00

Millennial Visioning Community Development, Concordia

Residents organized and implemented a visioning session that encouraged participants to overcome pre-conceptions about millennials, build relationships, and identify personal reflection concerns.

Amount Granted: \$750.00

Spotlight on Sherman, Sherman Park

In order to paint Sherman Park in a positive light, residents used photography to capture the diversity and ethnic values of the community. The photos were made available to the public at the end of the program.

Amount Granted: \$600.00

No Litter Pulaski Park, Pulaski Park

After having several meetings with community leaders, residents held a gathering to promote an anti-littering campaign in their community. Residents also provided an outlet for individuals to promote outreach and community fairs.

Amount Granted: \$667.00

Stop the Violence Signs, Sherman Park & Uptown

Residents raised awareness in their community regarding violence by providing residents and businesses with signs promoting a nonviolence and community unity.

Amount Granted: \$750.00

Strengthening Neighborhood Connections, Martin Drive

In an effort to increase and strengthen the relationship between neighbors, residents hosted strategy sessions with current and new neighbors. The sessions' goal was to encourage greater community involvement.

Amount Granted: \$575.00

JUNE 2017

Pedal Powered Progress, Harambee

Each year, residents maintain a garden in Harambee that provides over 800 pounds of free produce. Recently, lack of proper watering has limited production. Residents created a bicycle-powered pump to tote and barrel water out to 50 garden beds and two garden hoops.

Amount Granted: \$750.00

The Woodlands Playground, Woodlands

Residents, with help from community leaders, built a playground for the more than 1,200 kids, ages 3-16, in the neighborhood. The playground includes slides, swings, an obstacle course, monkey bars, and a rock-climbing wall. Residents hope that the playground, which is the first in the Woodlands neighborhood, will foster community engagement, healthy exercise, and family playtime.

Amount Granted: \$750.00

Petals & Paint, Tower Hill - Waukesha

To beautify the neighborhood and involve children in art activities, residents planted flowers and created artwork for the library garden in Parkview Park on Madison Street.

Amount Granted: \$750.00

Sherman Park Community Orchard, Sherman Park

Residents renovated a vacant lot at 2732 North 44th Street and transformed it into a community orchard. The orchard will be used to grow fresh vegetables and fruits, which will be provided to neighborhood residents for free or at a low cost.

Amount Granted: \$750.00

Start School Healthy - Back to the Basics, Sherman Park

In celebration of the new school year, residents hosted a celebration where community children were provided with a "starter kit" that included school supplies, socks, t-shirts, toothpaste, mouthwash, and soap. Food was also provided for families at this event, and youth could get a free haircut. The project was designed to address the basic needs that youth have in the community as they prepare for school.

Amount Granted: \$750.00

Dunbar Oaks Neighborhood Identification, Dunbar Oaks - Waukesha

Bethesda Park remains an underutilized green space. Building on previous efforts to increase foot traffic to this neighborhood park, residents promoted the history of the park, completed beautification improvements to the park's entrance, and promoted increased participation in the annual neighborhood celebration.

Amount Granted: \$600.00

Keep Havenwoods Streets Neat - Neighborhood Cleanup & BBQ, Havenwoods

Residents hosted a neighborhood cleanup & BBQ for the Havenwoods community. Volunteers assisted teens in cleaning up garbage and litter in the neighborhood, beautified the community park, and organized a neighborhood cookout for youth, families, and local businesses.

Amount Granted: \$375.00

Bright LED Alley Spotlights (Part 2), Sherman Park & Grasslyn Manor

For the past several years, residents added new cameras to their neighborhood to improve safety. This grant support residents' efforts to reduce electricity costs by installing new LED lights that are more energy efficient and last longer.

Amount Granted: \$587.50

DECEMBER 2017

Choices, Metcalfe Park & Sherman Park

In an effort to increase and strengthen the relationship between neighbors, residents will collaboratively create a mural in Scholars Park. After several acts of vandalism in the community, residents believe a mural will engage youth and encourage individuals to develop a more positive opinion of the neighborhood.

Amount Granted: \$375.00

East Center Street Crosswalk Art Project, Riverwest

After a brainstorming meeting with the Riverwest Neighborhood Association, residents plan to create a project that would improve public safety and promote the East Center Street Commercial Corridor. As a result, residents will design and install crosswalk art at the intersection of Fratney and Center.

Amount Granted: \$750.00

Restoring Our Neighborhood One Circle at a Time, Old North Milwaukee

Residents plan to build a stronger and more transparent community by promoting healing through talking circles. Once circles are established, each group will collect toys for the holidays and distribute them to elementary schools in the surrounding area.

Amount Granted: \$700.00

Feeding the Community, Hampton Heights & Havenwoods

As part of a tradition within their community, residents plan to host a neighborhood gathering for the holiday season. Residents will provide free toys to families in need as well as hats, gloves, scarves, and other winter essentials. A warm meal will also be served at the holiday gathering.

Amount Granted: \$700.00

Garden Expansion & Maintenance Moving Forward Day, Pulaski Park

In an effort to get more community members involved in the local neighborhood garden, residents hope to expand the garden in the upcoming growing season. Residents will also deepen the impact of the gardens by launching a "little library" and enhancing the picnic area.

Amount Granted: \$570.00

We Eat Healthy on a Budget!, Martin Drive

Residents want to tackle the Wisconsin obesity rate by organizing free food demonstrations and techniques that will encourage healthier food choices for community members in their neighborhood.

Amount Granted: \$750.00

Community Talk Backs for Autism Awareness, Sherman Park

In an effort to raise awareness regarding children with Autism, residents will host a series of interactive workshops that will educate families on how to support children living with Autism.

Amount Granted: \$750.00

Respect the Elders Program, Amani

In order to improve the quality of life for low-income seniors in the Amani neighborhood, residents will identify a minimum of ten elders living in the area and assist them with free and routine maintenance of their property. This project will remove the heavy burden of maintaining a residence from the elders' shoulders and allow them to stay in their community.

Amount Granted: \$750.00
